The #1 quality of a good leader is the ability to change.

- Dr. Harvey Herman

“Lead this generation to the nations”

The horse is made ready for the day of battle,
but victory rests
with the LORD.

(Proverbs 21:31)

“Here we have pictured a holistic
partnership between God’s spirit
and our partnership.”

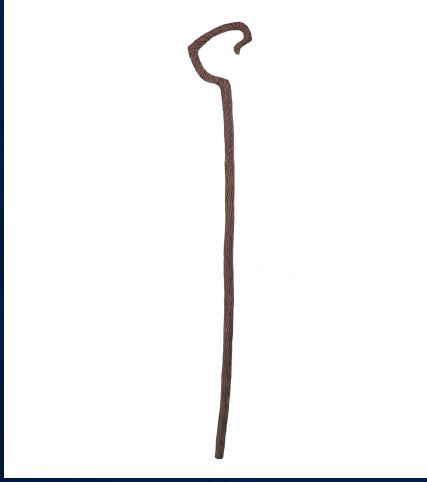

(James T. Bradford)

All those gathered here will know
that it is not by sword or spear that
the LORD saves; for the
battle is the LORD's,
and he will give all of you into our
hands.

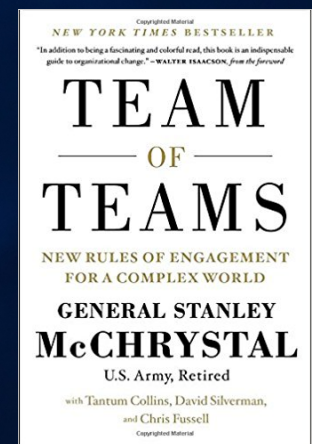

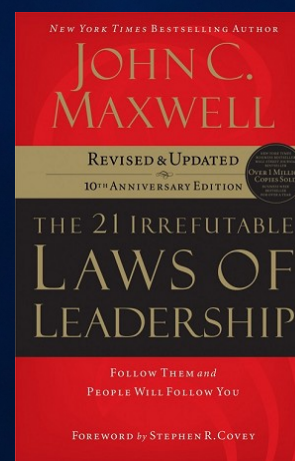

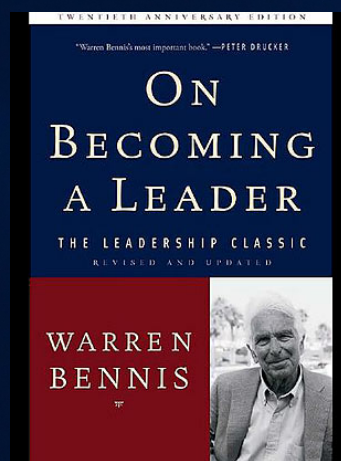

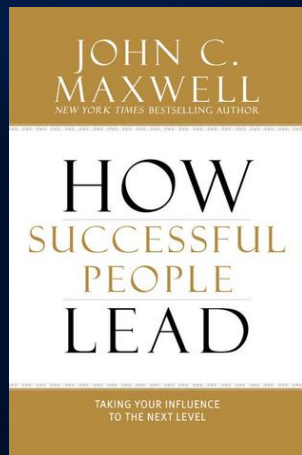

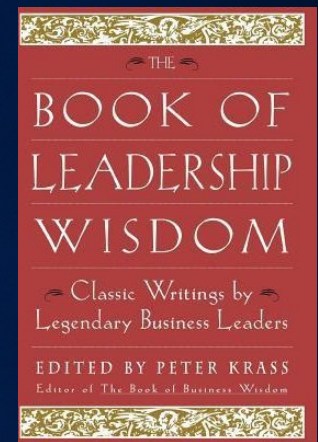

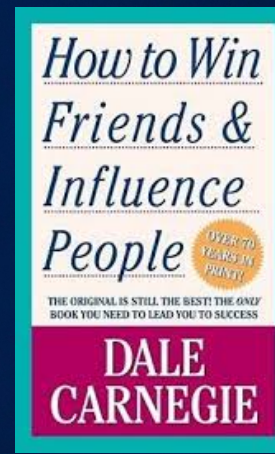

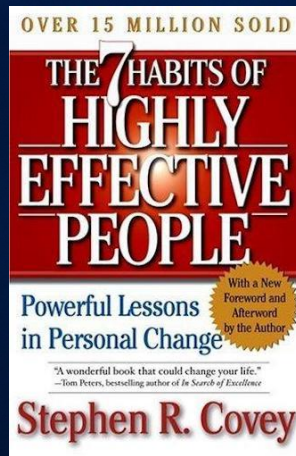

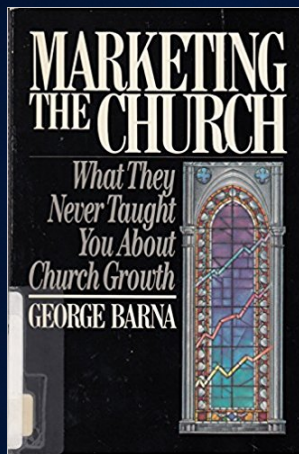

- 1 Samuel 17:47

The power does not lie in the tool,
but we must learn to **USE** the tool—
which tools we must **pick up**, and
which tools we must **lay down**.

We should memorialize tools of
our past- not idolize them.

Great leaders can lead change.

“This too is main”

- Alicia Chole

- ❖ Are there tools you need to *lay down*?
- ❖ Are there *new tools* you need to learn?
