“More than once, and whenever I could not see my way clearly, I knelt down and prayed to God for light and understanding...I have made a valuable application of electricity not because I was superior to other men but solely because God, who meant it for mankind, must reveal it to someone and He was pleased to reveal it to me.”

“When I was young, I said to God, ‘God, tell me the mystery of the universe.’ But God answered, ‘That knowledge is reserved for me alone.’ So I said, ‘God, tell me the mystery of the peanut.’ Then God said, ‘Well, George, that’s more nearly your size.’

And he told me.”
